Dr. Asis Goswami and Dr. Alagesan of the University is expected to attend the workshop. Also Dr. AGK Sinha of Punjabi University is expected to attend as a team member of the subject area.

About the MOOC scheme

Govt. of India has instituted a project 'Study Webs of Active Learning for Young Aspiring Minds' (SWAYAM) for providing access to the best quality learning resources across the country. SWAYAM is an integrated platform and portal for online courses, using information and communication technology (ICT). The project is aimed to cover learning needs of students from High School to all higher education subjects and skill sector courses. SWAYAM is created to provide the following

1. One-stop web and mobile based interactive e-content for all courses from High School to University level.
2. High quality learning experience using multimedia on anytime, anywhere basis.
3. State of the art system that allows easy access, monitoring and certification.
4. Peer group interaction and discussion forum to clarify doubts
5. Hybrid model of delivery that adds to the quality of classroom teaching.
